Finding the One True God on Mystery Island!!

As we reflect on SBA 2020, we want to give all the glory to God for his faithfulness and protection during this time. With so many unknowns as we were planning, we relied on prayers to provide wisdom and direction on how to have SBA this year. After long discussions with many ideas presented, we decided to go ahead and have SBA with many activities being held outside. Despite various changes, every volunteer was flexible and helpful in making the program run smoothly. We were able to be a light during this dark and difficult time.

As with any outreach, it takes many volunteers to make SBA happen! Support from ministry and the church family in preparing and serving this summer was an answer to prayer. Without the time and energy each person contributed to SBA, the program would not have been successful. Words cannot describe our gratitude for the church family and their service and prayers this summer! THANKS

We had an average of 87 children attend SBA. This was a wonderful opportunity to speak into their lives! We also were able to give a total of \$1,550.00 to the Bridge Youth Center this year. Excitement filled the sanctuary as the children realized that we had surpassed our goal of \$1,000. What a blessing to see the excitement in the children's faces as they understood the impact of helping other children right here in our community.

Ari, our adult speaker, had a passion and energy that spilled out into the services and touched our hearts. As people listened and learned about Jewish traditions, we were able to pray for and renew our love for the Jewish people. Praise the Lord!

Please continue to pray that the children would have found the One True God in our Mystery Island this summer. Pray that this ministry would continue and that our focus would remain on spreading the gospel. Matt 5:14-16.
