Eastern Mennonite Missions

In his first letter to the church at Corinth, Paul reminds that body of early Christians not to be focused on who gets the credit for ministry that is happening. It's true, he says, that "I planted." But "Apollos watered" and, most importantly, "God gave the growth"(1 Corinthians 2:6). EMM's desire is that the world would be full of disciples making disciples. We want to faithfully do our part in that grand mission. But we recognize that many other organizations are doing their part as well. It's our joy and privilege to partner with like-minded believers whenever possible, more concerned with the spread of the gospel than who gets credit for it. We recognize that while we have gifts and resources to offer, we have much to learn and gain from others' contributions and from walking this path of discipleship together.

The work among the Isaan people in Thailand is an example of a fruitful, ever-changing partnership. The Isaan are an unreached people group of more than 18 million people living in Thailand and Laos. Less than one percent are known to be Christians. Skip and Carol Tobin were sent by EMM to Det Udom, Thailand, in 1995 and began to share about Jesus to Isaan people who had never heard the gospel. They planted and watered and God brought the growth, eventually resulting in the founding of the Life Enrichment Church (LEC). That church movement is Thai-led and is now a mission partner of EMM. Eastern Mennonite Missions is always working alongside national partners in coaching, training, and encouraging the local church as they fulfill God's mission.
